## DINNER OF the month: IRISH style

THURSDAY, MARCH 13TH, 6PM

Join us Thursday, March 13th to get a jump on your St. Patty's Day celebrations! To help you get into the spirit of the occasion, we will hold the Dinner of the Month in our brand spanking new pub, and will feature Irish food and beer. Plus a traditional Irish greeting from Jack Murray!

To cap off the evening, we will have a performance by the McGing dancers. This dancing troupe has a rich history in Cincinnati, and is widely recognized, having danced and competed around the world, and toured with the Cincinnati Pops. They have strong ties to Glendale as well; all three of the Malloy daughters performed with the McGing Dancers through their high school years.

The evening kicks off at 6pm in the pub, with dinner around 6:40 in the ballroom, followed by the McGing performance around 7:30.

Cost is \$20/adults  
\$10/children 5-12

RSVP to Cindy, 771.8383 or glendale.lyceum@gmail.com

## March 2014

Wow! What a memorable month February turned out to be. Record bitter cold and deep, deep snow, but things were warm and friendly at the Glendale Lyceum. The February Super Bowl Party in the new Pub was an instant success with over 60 attending. A week later we had the formal Pub Dedication with a Winter TGIF and over 80 attending. Bill Skyllingstad and Dick Gregory received the well-deserved appreciation from the membership for their countless hours of hard work and skilled craftsmanship that transformed this once wet basement space into the fabulous Glendale Lyceum Pub. The Valentine Dinner was another great success under the direction of Head Chef Scott Cengia. Twenty-nine members enjoyed a delicious meal and great company. The lovely ladies were pampered by their husbands and the husbands had a great time in the kitchen preparing the meal. The depth of male culinary talent that we have at the Lyceum never ceases to amaze me! Finally, the 2013 volunteers were rewarded at a Volunteer Appreciation cocktail party for their efforts with food, drinks and prizes, at the end of the month.

Looking forward to this month, a number of activities are planned. The March DOM will be a St. Paddy's Event on March 13th to be held in the Pub. And then March 21st, a March Madness winter TGIF will also be held in the Pub. Book club and Paddle Tennis are at full swing and the Lyceum is a busy place.

The Legacy fund drive closed Jan 31st with a little over \$160K pledged or collected. While not meeting our \$250K goal, the board is pleased with the terrific response by the membership, showing support and commitment to the long term health of our club. New donations or pledges are accepted any time. The Board is currently in the process of selecting a single financial advisor, broker, or other qualified individual representative or firm to invest, monitor and safeguard the Legacy Fund monies. The board will also establish a Legacy Fund Investment Advisory Panel consisting of no less than three Lyceum members who are in good standing.

2014 is off to a great start. The Lyceum is a member driven club, so thank you for making this happen!

Jim

Be sure to grab a copy of Joe D'Amato's latest book, "Seeds II," available now at Joseph Beth!

Phillip LaChiana once again leads us into the darkened world of mob violence to view it from the inside and to learn how deeply Mafia roots are buried into our lives and souls. Once again wrapped in the haunting camouflage of Mediterranean warmth and beauty, the reader is led into the very chambers of government only to learn that justice often has a price that can only be paid in blood.

Jay Wheeler is compiling a photo archive of play bills, posters & photos from past Lyceum productions. If you have any such items, let him know and he'll be happy to stop by to photograph or scan them. Contact him at [ejwheeler3@gmail.com](mailto:ejwheeler3@gmail.com) or 772-2596!

Secure the Lyceum for your 2014 event today! Please contact Cindy as early as possible.

Interested in appearing on our illustrious stage?

Plays directed by & featuring members have always been a big part of Lyceum history. Want to join the fun? Jay is hoping to put together a short production for the May DOM, but he needs to know soon who's interested. Contact him at 772-2596 or [ejwheeler3@gmail.com](mailto:ejwheeler3@gmail.com) if you are interested!

No correct guesses for February's **Where's This?**

It was the frame on the new Pub pictures.

To participate this month, please see p. 5, and contact Katie at [cgmkreidler2@gmail.com](mailto:cgmkreidler2@gmail.com) with your guesses!

The Pub Dedication on Feb. 7th honored the work of Dick Gregory and Bill Skillingstad.

## What I love about the Lyceum

"My favorite thing about the Lyceum is friends and family gathering at TGIF on Fridays."
